

## HELICOPTER SCENIC FLIGHTS – FOX GLACIER AND FRANZ JOSEF

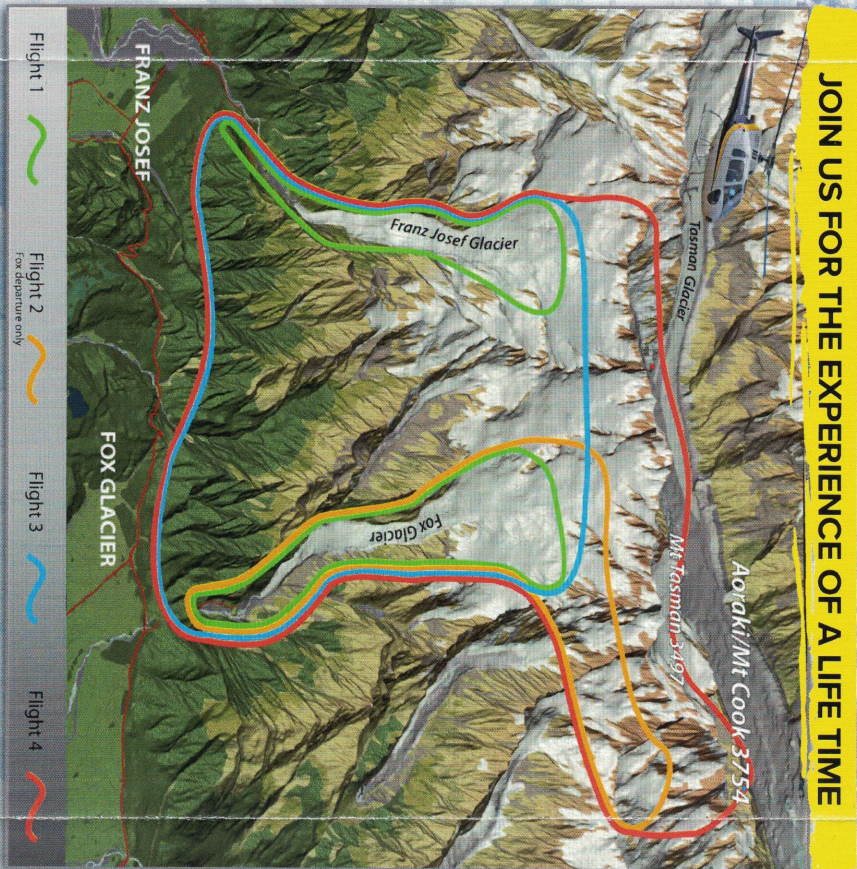

### FLIGHT 1

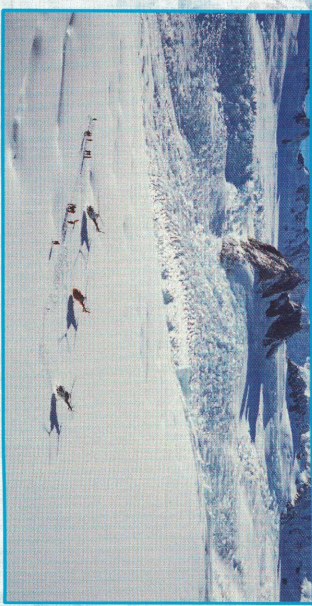

Explore the Fox or Franz Josef glacier to 6000' and land on the snow with exceptional views of New Zealand's Southern Alps.  
(Allow 20 min)

### FLIGHT 2

**FOX GLACIER - MT COOK** - Explore the Fox Glacier then fly by the sheer west faces of Mt's Cook and Tasman. A snow landing provides opportunities to photograph the magnificent scenery.  
(Allow 30 min)  
**FROM FOX ONLY**

- ▶ Experienced, Professional pilots
- ▶ Flight routes, snow landings subject to weather, conditions and at pilots discretion
- ▶ 4 and 6 passenger modern turbine helicopters
- ▶ Safety First; For our experienced pilots at Fox and Franz Josef HeliServices your safety is our main concern

### FLIGHT 3

**TWIN GLACIER** - This flight gives you the opportunity to discover the scenic wonders of both the Fox and Franz Josef glaciers. Again while landed on the snow photograph Mt's Cook and Tasman.  
(Allow 30 min)

### FLIGHT 4

**GRAND TOUR** - The "grand-daddy" of all flights! Explore both glaciers as well as taking in Mt's Cook and Tasman. We top this off by landing you on the snow for photo opportunities. As a bonus, weather permitting we cross the main divide for you to view the Tasman Glacier.  
(Allow 40 min)

“MT COOK AT ITS BEST”

**Compare these features:**

- ✱ We have Department of Conservation concession to land at all designated landings sites within the Westland National Park
- ✱ Snow landings above the Fox and Franz Josef glaciers
- ✱ Private charter available
- ✱ Transport for climbers, skiers, hunters and fishing
- ✱ Kayaking and rafting transport
- ✱ Courtesy van available (Fox Glacier)
- ✱ Competitive prices
- ✱ Minimum numbers apply
