

# SUSTAINABILITY PLANET 21

Rain or shine, get sheltered under our **Eco Umbrella**

Explore the city in a carbon-neutral way by using the state-of-the-art **ibis Bamboo Bicycle**

DR.WHO®

Opt for an eco-friendlier housekeeping service, your bed linens and towels will not be changed, and 2 water bottles will then be provided for **unlimited refills of sparkling or still water**

By not changing the linens and towels, these laundry savings are used to fund for **Plant for the Planet** - a reforestation project supported by Accor hotels. Ibis Bencoolen is now funding for A Tree for A Child (ATFAC) in Indonesia

These lovely **Eco Pens** are handmade using recycled newspapers, providing supplemental income opportunities for a Jakarta community - A Tree for a Child. Along with the Eco bottling water system, this collaboration creates jobs for the mothers at the ATFAC Centre and helps the children to continue their education
