

# Rent Something Fun!

**The Marina**  
at Cherry Creek

Jet Skis • Pontoons  
SUPs • Kayaks • Canoes  
Sailboats • Fishing Boats

There are more ways to play at Cherry Creek Reservoir. We've brought back the best and expanded the rest. All rentals include safety equipment, life jackets, paddles and sails as needed.

## Rental options:

Most rentals are set aside in 2-hour blocks. Want to play longer? No problem! Just confirm availability before heading out. You must be at least 18 and have a valid ID and credit card. Damage deposits are held on a credit card and handed back upon the return of the vessel in its same condition. Earlier/later times on request.
