Jacican is your bespoke food experience, a place to learn, share and eat. Owned and operated by me, Jaci Hicken, the food studio focus is on food, meals and produce from and in the Gippsland region.

Join me on Friday or Saturday from 9am - 5pm or Sunday for lunch or high tea (bookings essential). Dinner bookings are available for groups of 8 – 18 guests on Friday and Saturday nights from 7pm.

Jacican can host your small private dinner, family get together or work function. I also offer tailor made private classes, meals and corporate training events for you or your organisation's needs.

Adult cooking classes will take your cooking to the next level. Whether it's the secret of the perfect macaron, cream torte or handmade lollies, I can be your guide. I'll even teach your littlies during my school holiday Kids in the Kitchen classes.
