## Accommodation

Since buying the Fairwater Head Hotel in 2007 we have worked on every aspect of the hotel. The views and scenery were already there but we believe we have added our own personality to each area and created a hotel that has a warm and friendly atmosphere combined with the highest standards of housekeeping and service.

Our hotel is in three distinct and different sections to fit whatever you are looking for. We have sixteen rooms with each style of room having its own distinct character and all with views of our garden.

### Main House

Inside the main house we have four large rooms with traditional furnishings and luxury bathrooms (some with Jacuzzi baths).

### East Wing

There are eight completely refurbished rooms alongside and attached to the main house.

### Garden Wing

These are quiet, single storey rooms situated just 25 yards from the main house.

## Weddings

Our warm atmosphere, wonderful views and civil wedding license make the hotel a perfect venue for weddings and wedding receptions.

The hotel is now considered a major wedding venue whether you want the whole hotel or just a small function.

## Conferences/Meetings

We specialise in conferences and meetings for up to twenty people while for larger groups the entire hotel can be hired at very competitive rates.

## Gardens

The hotel is set in close to three acres of Devon countryside mostly laid to lawn but with many secluded spots, ideal to get away from it all. The gardens boost a selection of unusual trees and shrubs from around the world.

*Resident dog Mocca*

## Dog Friendly

We have some fabulous walks close by, while the sandy beaches of Lyme Regis are also near to us, so how could we not welcome dogs. We'll even have a welcome biscuit waiting for them when they arrive.
