TENNERHOF
KITZBÜHEL

Tennerhof Gourmet & Spa de Charme Hotel

SOPHISTICATED HOSPITALITY

Two words that accurately capture the character of the Tennerhof Gourmet & Spa de Charme Hotel, a Relais & Châteaux hotel. Our rich tradition stretches back as far as 1679. The “Tenner” property changed hands in 1929 and has been under the direction of the Pasquali von Campostellato

family ever since. For years, guests have enjoyed our privileged location on an elevated plateau high above the rooftops of Kitzbühel. For it is here,

at Tennerhof, that past meets present. Centuries of vibrant history mixed with contemporary style. We believe that the deep roots

of history provide us with a strong foundation to meet the challenges of the future. It is for this reason that some things here will never change. As passionate hosts, it is our goal to create a warm and familiar atmosphere, to integrate modern and sophisticated style, and to offer you something special each time you visit.

We truly look forward to welcoming you to Kitzbühel’s “most exclusive and charming” 5-star hotel!

welcome

LIVING & BATHING

Traditional flair is at the heart of Tennerhof. Complacency, however, has no place here. Especially when it comes to bathrooms, the latest standards and comforts are essential. Last year we completed the gradual renovation of all bathrooms throughout the hotel. We also took the opportunity to upgrade and partially reimagine many rooms and suites so that our guests may enjoy an outstanding, comfortable stay within our historical walls!

IMMERSE, REVIVE

Relax above the rooftops of Kitzbühel at the Tennerhof spa. Our Spa de Charme profits from the interplay of four elements that combine to create a dignified ambiance. The swimming and whirlpool stand for water, while the hot Finnish sauna symbolises fire. Our relaxing spa and massage treatments embody the earth and the tingling, crisp atmosphere at our outdoor pool, surrounded by a garden and ancient fruit trees, represents the Alpine air. A holistic spa experience includes rejuvenating beauty

and massage treatments, relaxation zones, and the

panoramic-quiet and Silent Sole rooms. Take a deep breath, immerse yourself in Tennerhof's spa experience, and emerge refreshed, relaxed and renewed.
