I.FLY TRAPEZE AT THE PHOENICIAN

“Fly through the air with the greatest of ease”... under the expert instruction of our I.FLY Trapeze team. This experience will teach you the timing and techniques to swing, lock your legs on the bar, and complete a signature wrist-to-wrist catch – all in just your first class.

Participants of ages 4 and up are guided through the entire adventure by I.FLY trainers, sailing over a specially designed net using provided safety belts and lines. Discover a secure and memorable way to let your spirit soar!
