

Experiential Learning at its Best!

Come explore the wonderful world of farm animals, organic gardens, bee keeping, woodlands and so much more with us at Flint Hill Farm!

COME TO THE FARM!

We would like to invite teachers to explore our farm tour options available in 2017. We have updated our tour packages to include hands-on farm experiences for pre-k through 8th grades.

FHFED programs meet the PA Standards for Agriculture and Society. For a complete overview, please visit our website www.flinthillfarm.org

FLINT HILL FARM EDUCATIONAL CENTER, INC.

Flint Hill Farm is a 26-acre working FARM AND DAIRY located in beautiful Leigh County, PA. The farm dates from around the 1850's.

This year we are again opening the farm to school tours. Our goal is to make the farm world come alive for students, teachers and families.

Programs for all ages include: Farm Tours (five stations), Aquaponic Gardens, Farms Of Today, Colonial American Farms, Real Horse Power Days, Bees and Natural Pollinators, Blacksmith Shop/Forge, Cheese Making, Goat Milking, Felting & Fiber, Bread Making, Composting, Woods Walk and Vermiculture.

Please review the options available on our website www.flinthillfarm.org. There you will find a Power-Point presentation showing our basic tour package. We also offer a number of videos on our website and on youtube- FLINT HILL FARM EDUCATIONAL CENTER. for you to share prior to your visit to the farm.

We would be pleased to create a tour package to meet your age group, time, & budget.
