CINEMA NOTES

2018 has been an exceptionally good year for cinema and especially at Triskel, where we not only hosted a great selection of movies from around the world but also even broke a few box office records with *Loving Vincent* becoming our highest grossing film of all time!

We have a season of films by the acclaimed German director Margarethe von Trotta, the wonderful Irish documentaries *The Silver Branch* and *The Camino Voyage*, Call Me By Your Name director Luca Guadagnino presents his re-imagining of the classic horror *Suspiria*, actor Paul Dano makes his directorial debut with the drama *Wildlife*, and many more to choose from.

And, of course, we present our regular Christmas movies *It's A Wonderful Life* (now in its eighth year at Triskel) which will be presented in a new digitally remastered edition, *The Muppet Christmas Carol* and arguably the greatest action movie of the eighties, *Die Hard*, which celebrates its 30th anniversary.
