Gulf Cat 10.5m (34ft) 2 X 350HP– Fast and Spacious long range sports fishing.

Standout features: She is a very safe, stable and roomy 34ft Catamaran specifically designed and built for charter fishing and eco-tourism. Sporting twin Hamilton Jets she cruises at 20-25knts making her fast as well as spacious. We believe she is the best vessel available for keen anglers, whole families and corporate charters who want to get out wide for spectacular fishing and sightseeing!

SFV About us: We go wide in search of workups (Whales, Dolphins and birds working the bait) and areas we know hold good fish. We supply all the latest top of the line fishing equipment – rods (Shimano, Ocean Angler and Catch), reels (Accurate, Ocean Angler and Shimano), lures (Inchinku and Kabura Jigging styles from all brands) and salt ice. We also teach you how to find and catch the fish using this light gear, utilising 35 years of experience in the Hauraki gulf.

Nik (Capt Snap) has been fishing the beautiful and bountiful Hauraki Gulf since a child (over 40 years). Having fished this area extensively all year round and for many years, and through determination and local knowledge, Nik understands how and why this area fishes. Nik writes "how to" articles for NZ FishingNews, and fishing reports for Fishing.net. He is also interviewed and provides the Hauraki Gulf fishing report on Radio Live.

SFV Price \$POA: For 8-10 (full day – 8hours +) includes usage of all the latest high-end fishing gear, tutoring and salt ice.
