Heaven Scent  
eat drink unwind

Heaven Scent began life as Scott Hospitality in 2003 when owner Andrew Scott bought a run down flower shop in Milnathort, near Kinross, and transformed it into a funky coffee shop, realising his vision of bringing cool city living to the countryside.

Heaven Scent has expanded and developed over the years, and is now a multi-award-winning company comprising the original, thriving artisan coffee shop, a contemporary café, corporate & private catering and a unique catering & events venue.
