

MERCHANTS

wine cellar

Merchants celebrates the small winemakers of the world with an extensive range of artisanal wines by the glass, bottle or case.

Real wine made by real people

Avoid the mainstream, middlemen and the mark up – deal direct with independent winemakers at Merchants wine cellar. We offer award winning wines at cellar door prices.

FLYING WINEMAKERS

Our winemakers host 'pop-up' tastings at our Merchants cellar doors in Duxton Road, Bukit Timah and Joo Chiat, where they'll guide you through their latest vintage over a glass of wine or two.

TRY BEFORE YOU BUY

We invite you to sample our wide range of red, white, bubbles and rosé – which we offer on a rotating basis 'on-taste' and by the glass.

PARTIES AND CORPORATE

At Merchants we love to host groups: wine appreciation, team building, networking events, birthday parties – we offer a fun and relaxing setting with exceptional wine, food and service.
