Why do we now need a visitor pass to enter the Naturescape and Wild Wonders?

Our suggested donation helps us maintain our popular day use facilities and care for the Wild Wonders animals.

**The Howell Nature Center is a non-profit organization which receives NO funding from the City of Howell, State of Michigan or the US Government.
We rely solely on the value support of people like you.**

DID YOU KNOW?!

The Howell Nature Center offers many other programs and activities to keep you outdoors, active, and in touch with nature!

Our wildlife park and education program is the tip of the iceberg. Our Center hosts more than 10,000 children in school, summer, day, and resident camps each year! HNC is also home to Challenger and High Adventure with the area's only eco zip tour, Michigan's tallest outdoor climbing tower, and two high ropes courses ideal for team building! Our overnight retreat and meeting facilities offer onsite catering and all of our lodges feature modern conveniences and can sleep from 15 to 224 guests. Our facility offers over 60 environmental education programs including survival skills, archery, orienteering, predator/prey games & pond study! Off-site programs like Alexandria's Nature Bus brings live wildlife and hands on learning to you!

Check out our Special Events!
