

## Discover the Wonder of Birding in Arizona!

Southeastern Arizona has recorded more species of birds than any other area of its size in the country, earning its reputation as one of the best birding spots in North America. There are many species that simply cannot be seen anywhere else in the US. We're especially proud of our hummers!

Magnificent!

Dos Palmas is sooooo close to:

- Ramsey and Madera Canyons
- Patagonia-Sonoita Creek Preserve
- Patagonia Lake
- Kino Springs
- San Pedro River
- ....and more!
