YOU DRIVE DESERT EXPERIENCE

A unique way to enjoy the beautiful deserts of the UAE along with the adrenaline rush of driving a fully modified 4 X 4 Jeep Wrangler through the dunes. With our fully trained and professional guides you do not need to have any experience but by the end of your day you will feel like a seasoned pro. This is a perfect way to spend quality time with family, friends or co-workers as you experience what many have said is the best time they have ever had in Dubai.

The You Drive is from 13:00 to 18:00 every Saturday - Thursday (three car minimum except Saturday) and we can book private experiences for your family or group.

For AED 1,400 you will get one fully modified 4 X 4 rental, all necessary safety equipment, walkie-talkie, water and the 5 hours driving experience (Maximum 1 driver + 3 passengers per 4 X 4). We stay away from the camp areas and safari trails to give you the best experience in the most beautiful scenic spots of the UAE. Each driver will receive personal instruction, driving tips, and learn the techniques required to have a safe and educational experience.

"We moved to Dubai 4 months ago and since then we've done just about every tourist transaction in Dubai. This was definitely the best. This was so much fun that we went twice so that my wife could have a chance to drive"

- Spencer Cox

"By the end of the day we were all driving on dunes we could not have imaged before we set off."

- MILLYP2000
