AZUR, THE TOTAL EXPERIENCE

THE LODGE...

The lodge is the place to relax in front of one of three fireplaces, perhaps with a book from the library and a cappuccino. Refreshments and homemade afternoon tea are served throughout the afternoon and evening cocktail's and canapés are the time to enjoy a private drink with your partner or to meet other guests and discuss the days adventures.

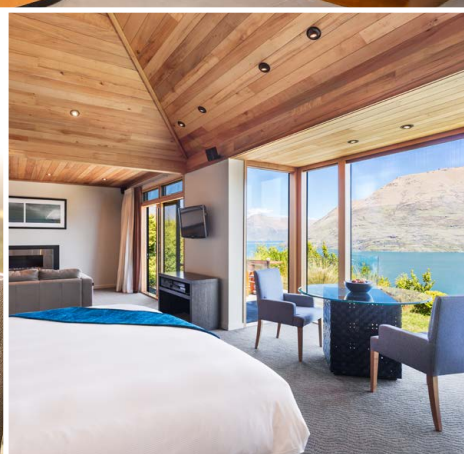

As evening draws near the Azur team can assist with making dinner reservations at one of the world class restaurants in Queenstown and offer door to door transfers or alternatively they can arrange for our you to dine by candlelight in your villa any night during your stay.
