POWERED HANG GLIDING

Watch the sun rise and feel the ocean spray as you 'fly like a bird' over white sandy beaches and turquoise waters. Witness majestic Makua Valley on the Leeward coast and soar over Waimea Bay and Ka'ena Point from an eagle's-eye view.

Our Evolution Revo trike is All-American made and the most State-Of-The-Art aircraft in the industry! Our aircraft can glide and land just about anywhere without an engine and has a rocket-propelled emergency parachute for unparalleled safety.

Hang Gliding Hawaii instructs you on the basics of flying powered hang gliders - one of the SAFEST forms of flight today! No experience is necessary. Our top ranked FAA-certified instructor gives you a hands-on lesson while you soar over the most breath-taking landscape in the world.
