

## FACT SHEET: LE PETIT VILLAGE HOTEL

**Le Petit Village** is an exclusive contemporary lodging facility situated right on the outskirts of the heart of Kampala city. The hotel features 12 sumptuous clandestine cottages each with en-suite facilities set in rustic grass thatched African Safari style décor for the luxury/business traveler who values convenience.

**Location:** Our hotel is strategically located just a few meters after the US Embassy, less than 7 minutes access to the city center and 2 minutes away from the highway to Entebbe International Airport. The hotel is part of a business eco system at Quality Hill Boutique Mall giving the guest access to our signature French pastry shop/coffee lounge – La Patisserie which serves as the perfect business meeting spot and the famous Le Chateau Brasserie Belge restaurant.

### DIRECTIONS

From Entebbe to Kampala, it's about 44.5 km which is roughly a 1.5 hour drive. Then at the Queen's Clock round about, take the road towards Nsambya and turn up to Ggaba Road. After you drive past the US Embassy and approach Kabalagala trading center, you will see Quality Hill Boutique Mall with a grass thatched arch over the entrance, drive in and come to the end of the parking lot, you will have arrived. If using Maps: [ **Latitude - 0.2990 , Longitude - 32.5956** ]

**Quality Hill Boutique Mall | Nsambya, Plot 1273, Ggaba Road | K'la (U)**

### POWER SUPPLY

All suites are fitted with controlled 240 V electricity with a backup generator on standby. Since we value our planet, just like you do, we kindly request you to use the power & water in an eco-friendly way. Turn off the lights when leaving the room and do take care not to leave the water lapping after a bath or a shower. Together we can make the world a cleaner and safer place.

Our plugs into the power mains are British three type plug outlets.

### SECURITY

Please note that Le Petit Village is situated next to the US Embassy, none the less we have 24 hour video surveillance of the premises. We have both Uganda Police and a private security contractor to supplement. We therefore assure you that you are already safe upon checking in. However, we urge you to leave your doors closed when checking out/leaving your room.

Please make use of the safe deposit boxes in your suite if you have valuables or large sums of money.
