## Fishing Charters

Backwater fishing with Capt. Mike on our 28-foot custom-built fishing cat, "Up on Two", is the most stable vessel around, perfect for the expert angler to the newest line siders.

Our fishing boat can get where the flats boats can but with twice the room and comfort. We specialize in light-tackle fishing and bringing home the best fish Southwest Florida has to offer. Of the many fish you can expect to catch, Snook, Redfish, Trout and Snapper are some of the best. We also occasionally catch pompano, shark, ladyfish, and spanish mackeral.

Capt. Mike is happy to assist you in every way from baiting your hook, casting and cleaning any fish within the legal-size limit. You will probably even catch sight of dolphins and manatee during your fishing charter! Our fishing boat accommodates 1-6 fishermen and is a private charter, so please call to reserve the boat.
