Two Salty Dog Pet Outfitters is the place to outfit your pets for adventure! Whether you live in the Boothbay area or are just passing through, come see us at our convenient downtown Boothbay Harbor location. We specialize in unique treats and toys, carry several lines of premium dog and cat food, and take pride in our wide selection of Maine-made products.

Enjoy the lazy days of summer by treating Fido to a cool doggie smoothie or pick up a life vest so your four-legged pal can go kayaking with you. Drop by and get Felix some organic Tuna Sushi, a Tickle Pickle, or his own self-cleaning kitty bed in the shape of a squid. We have chemical-free shampoos and grooming products to get your pet looking fresh, and all natural supplements to keep them healthy. And check out our locally-made custom doghouses that can be matched to your home's colors.

Visit our website for a list of pet-friendly accommodations in the Boothbay Harbor area and other resources for your dog and cat while in the area. If your pet is particularly salty, let us know. We'd love to add their profile to the Our Salty Friends section! And make sure to like us on Facebook to keep up with the latest happenings and special offers.
