Tea Room

In our tea room, you will find freshly prepared daily specials including our famous Farmhouse Breakfast, a variety of light lunches and delicious cream teas.

At Hackwood Farm we use locally sourced ingredients from the farm shop and other trusted regional suppliers. Our freshly roasted coffee blend goes perfectly with our selection of homemade cakes, including a variety of gluten free, available to eat in or takeaway if you're on the move!

Dogs are also welcome in a designated area of our tearoom, so if you're feeling adventurous why not take them on our three-mile circular walk!

Butchery

Our butchers offer a wonderful range of locally sourced meats.

A wide range of 28 day matured steaks, lovingly prepared joints, handmade sausages and burgers and BBQ marinated meats are all on offer each day.
