

# **Train Rides**

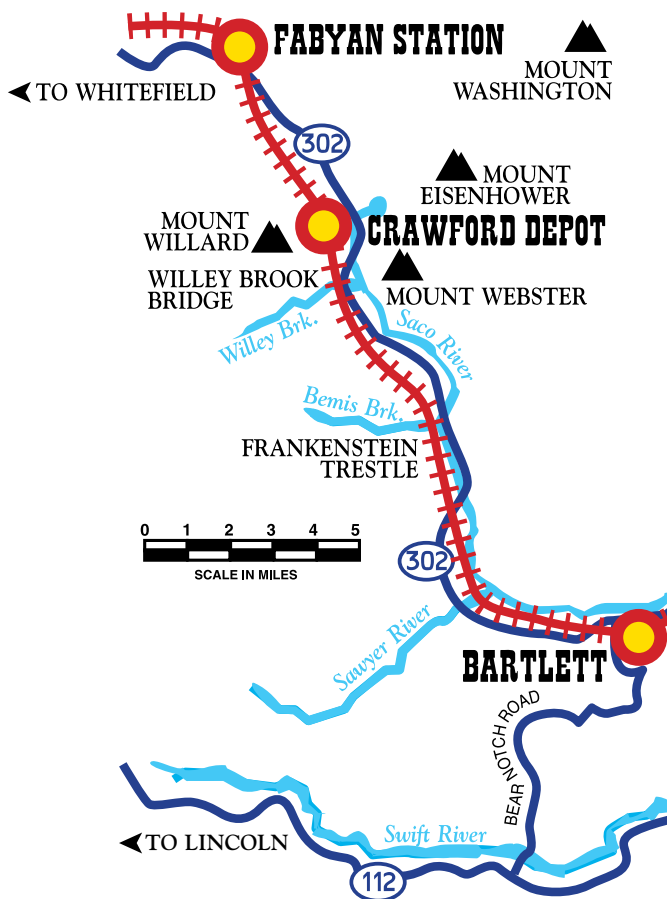

## **CONWAY SCENIC RAILROAD**

**2017**

**Our 43<sup>rd</sup> Year**

**ConwayScenic.com**

# Welcome Aboard!

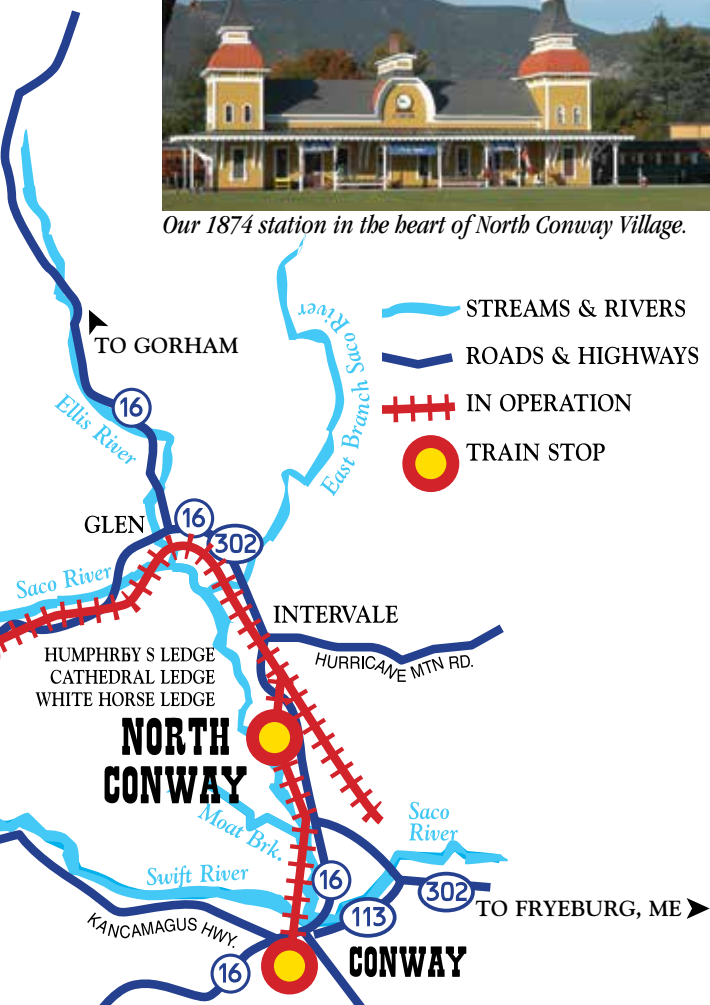

**Enjoy** an old-fashioned railroading experience on vintage trains, all departing from our 1874 Victorian station in the heart of North Conway Village. Whether you choose one of the Valley routes to Conway or Bartlett, or the legendary Crawford Notch excursion, this is a step back in time that the whole family will enjoy.

Our trains are powered by diesel electric locomotives for most of the season and by our self-propelled Budd Rail Diesel Car, the *Millie*, which runs midweek for the first three weeks in May and the last week in October.

Our goal is to preserve a piece of New Hampshire's railroading history for all to enjoy for generations to come. Thank you for supporting our efforts, and enjoy your visit!

*Our 1874 station in the heart of North Conway Village.*

## Update on 7470

**Our 1921 steam engine** will be out of service for the 2017 season while we continue to perform a major federally-mandated inspection and overhaul. The work is taking place right here in our roundhouse with the aid of a specialized contractor. Once completed, 7470 will be ready to run for another 15 year cycle. 7470 is the very first locomotive that Conway Scenic owned and operated and it is also the only coal fired standard gauge steam locomotive that operates in the state of New Hampshire. We know that this engine has a special place in the hearts of many who come to ride our railroad. Look for 7470 to return sometime in 2018.

# Valley Train

**On the Valley Train,** you'll enjoy an authentic railroading experience as you journey on historic rail routes from our 1874 train station in North Conway Village to either Conway or Bartlett and back again.

**Conway Route:** the 11 mile, 55-minute Conway Valley Train is ideal for visitors wanting a shorter train ride, especially those with young children. On this excursion, you'll travel south past the Moat Mountain Range and parallel Route 16 before passing through farmlands and crossing the Saco River, Moat Brook, and Swift River on the way to Conway. Here, you can watch the powerful locomotive "run around" for the return trip.

**Bartlett Route:** the 21 mile, 1¾ hour Bartlett Valley Train offers a longer and more relaxing train ride that takes you "over the river and through the woods." You're invited to sit back and enjoy the passing scenery as you travel northwest through fields and woodlands, crossing the East Branch, Saco and Ellis Rivers on the way to Bartlett. Here you also have the opportunity to watch the locomotive "run around" for the return trip to North Conway.

**Children under 4 always ride free in Coach on the Valley Trains!**

## The **Gertrude Emma** Parlor and Observation Car

**Spacious first class seating** aboard the beautifully restored Pullman Parlor-Observation Car *Gertrude Emma* is offered on all Valley Train departures. Built in 1898 for use on the "Pennsylvania Limited," the *Gertrude Emma* has been restored to its original splendor with individual wicker chairs, large double-wide windows, rich mahogany woodwork, and an open observation platform.

The *Gertrude Emma*, with its unique and elegant interior, may be chartered for weddings, anniversary parties, corporate functions, and other special occasions.

RAILROAD

## The Dining Car **Chocorua**

### Relive the golden days of railroading

as you travel aboard the elegant Dining Car, *Chocorua*, on the Valley Trains. Built by the Pullman Company in 1929, The *Chocorua* offers a First-Class dining experience, complete with friendly and attentive service, in a beautiful oak-paneled restaurant where the views are constantly changing.

All meals are prepared on board to your order and served with warm, friendly Yankee hospitality by our restaurant partners, the culinary team at Attitash Resort. The *Chocorua* is climate controlled, has a full liquor license, a complete wine list, and is a smoke-free environment. With advance notice, special dietary needs can be accommodated easily. In the true spirit and tradition of railroad dining, you may be seated at tables of four with other Dining Car guests.

From June 9 through October 22, 2017, lunch is served daily on the Valley trains. You may choose between the 11:30 a.m. Bartlett departure, approximately 1¾ hours roundtrip, and the 1:30 p.m. Conway departure, approximately 1 hour roundtrip. A 6:00 p.m. departure with dining is offered on selected evenings June 16 through October 14, plus June 10 & 17 and October 20 & 21 and 27 & 28 for our Murder Mystery evenings.

Dining on the rails is a tradition dating back to the mid-to-late 19th Century, when railroads across the country began offering meal service as an alternative to the roadhouses that were located at their water stops. As competition among the railroads increased, dining car service was taken to new levels, and today, a fascination with this tradition continues.

For complete details, including menus offered on the *Chocorua*, please visit [ConwayScenic.com](http://ConwayScenic.com). To ask questions, or to make reservations, please call 603-356-9009.

# Gifts

**While visiting** Conway Scenic Railroad, please allow time to browse in the **Brass Whistle Gift Shop**. Here you'll find a great collection of train and railroading related gifts, books, music, videos, souvenirs, and clothing, many of which are made in the USA. Many of our most popular items may also be found online at [ConwayScenic.com](http://ConwayScenic.com).

# The Notch

**On the Notch Train,** you'll travel on what was once the Maine Central Railroad's famed Mountain Division line, on tracks that were laid down in the 1870s. Enjoy some of the most dramatic natural scenery in the East as you travel through spectacular Crawford Notch. You will pass sheer bluffs, steep ravines, cascading brooks and streams, panoramic mountain vistas, across Frankenstein Trestle and Willey Brook Bridge, all enroute to Crawford and Fabyan stations. As you travel through this rugged terrain, you can begin to appreciate what a remarkable engineering achievement constructing this railroad was over 140 years ago. Live commentary onboard includes history and folklore of the railroad and area, as well as points of interest.

On all excursions, there is a lay-over at Crawford Station ranging from 55 to 25 minutes, depending on the season. This allows our passengers to get off the train and explore their beautiful surroundings.

Coach seating or climate-controlled First Class seating both are available. In First Class, choose either the *CP Reed* or the *Dorthea Mae* (Dome Car), both originally built in the mid-50s for transcontinental service in Canada and the United States respectively. The Upper Dome, shown here, can accommodate 20 passengers and is considered exclusive seating.

The newest addition to our fleet of rail cars is #6749, the *Mt. Webster*. Originally built in 1952 for service in the Montreal Commuter Pool, it was completely reconfigured in 2014 from a coach into a First Class "Table Car." Climate controlled, this car is especially comfortable for those Notch Train passengers who purchase our box lunches.

Weather permitting, an Open Coach is available for all passengers to enjoy.

An onboard snack bar offers a limited selection of individually priced sandwiches, snacks, and beverages for purchase. Box lunches are available if pre-ordered with your reservation. First Class passengers also have the option of enjoying a 3-course luncheon aboard the elegant Dining Car *Hattie Evans* as part of the Notch Train First Class package.

**The Notch Train operates from  
June 13 through October 28 in 2017.**

# Train

CONWAY SCENIC  
RAILROAD

## The **Hattie Evans**

### **The dining car** *Hattie*

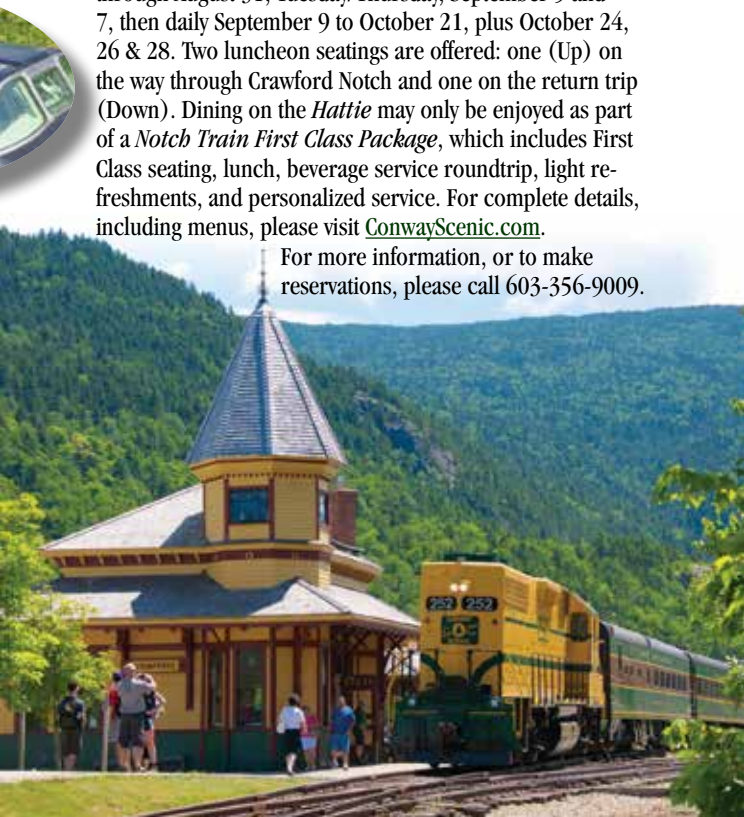

*Evans* was built by Pullman Standard in 1949 for the Norfolk & Western Railroad as a D-1 class Dining Car and later became part of the original Chuck Wagon Restaurant in Lewiston, Maine. She was then acquired by the Maine Rail Group before we bought and rehabilitated her for service on the Crawford Notch trains.

The *Hattie* has an oak interior, original oil murals, and beautiful, customized booths with seating for 48 passengers. As with the *Chocorua* on the Valley Trains, *Hattie* is climate controlled, has a full liquor license, a complete wine list, and is a smoke-free environment. Special dietary needs can be accommodated easily with advance notice. In the true spirit and tradition of railroad dining, you may be seated at tables of four with other dining car guests.

The Notch Train, with *Hattie* in its consist, departs at 11:00 a.m. on Tuesday/Wednesday/Thursday/Saturday, June 13 through August 31, Tuesday/Thursday, September 5 and 7, then daily September 9 to October 21, plus October 24, 26 & 28. Two luncheon seatings are offered: one (Up) on the way through Crawford Notch and one on the return trip (Down). Dining on the *Hattie* may only be enjoyed as part of a *Notch Train First Class Package*, which includes First Class seating, lunch, beverage service roundtrip, light refreshments, and personalized service. For complete details, including menus, please visit [ConwayScenic.com](http://ConwayScenic.com).

For more information, or to make reservations, please call 603-356-9009.

# The Notch Train Schedule & Fares

Our First Class Package includes First Class seating, beverage service, complimentary cheese & crackers and a 3-course luncheon (off the menu) on the dining car *Hattie Evans*.

There are two seatings from which to choose: 11:30 (Up) or 1:30 (Down).

Lunch includes taxes and gratuities, but not beverages, which are additional.

For more information, please visit [ConwayScenic.com](http://ConwayScenic.com)

# All Aboard Information

All trains depart from our historic station at 38 Norcross Circle in North Conway Village.

The station opens one (1) hour prior to the day's first train departure on any scheduled operating day.

Individual reservations may be made up to 24 hours prior to the train's departure time online at [ConwayScenic.com](http://ConwayScenic.com) or by calling 603-356-5251.

Group reservations are accepted for 20 or more passengers and may be made by calling 603-356-5251, ext. 12

Handicapped accessibility on the Conway Scenic Railroad is limited (wheelchair width of 25" max.) to Coach seating due to the narrow vestibules and door openings on our historic passenger cars. Please contact us with any special requirements prior to your visit. Every reasonable effort will be made to accommodate visitors' needs.

Snack bar service is available on most trains mid-June to late October. First Class dining car service is available June-October.

All enclosed passengers cars are heated, and trains operate rain, snow, or shine. Restrooms are available on all trains.

We are a no smoking property. Smoking is not permitted aboard any train, in any building or anywhere on railroad property. Thank you for your cooperation.

Persuant to New Hampshire law, passengers may not carry alcoholic beverages onboard at any time.

Well-behaved dogs may travel in Coach aboard any train provided they are restrained by the owner. Service dogs are allowed in any car.

You may bring your own food onto the train in Coach only. Your own food is not allowed in First Class on any of our trains.

The North Conway Freight House is the home of the **North Conway Model Railroad Club**, which is open to the public Tuesday/Thursday/Saturday, July through September, 10:00 a.m. to 4:00 p.m.
