

MOUNT VIC FLICKS

Latest films,
local charm.

Mount Vic Flicks is a family-run independent cinema located in the upper Blue Mountains village of Mount Victoria. Screening only the best new and classic films from Australia and abroad, including arthouse, 3D and kids' movies, our cinema makes for a fun, one-of-a-kind outing for families and film buffs alike.

From the cosy heritage building to the homemade choc-tops and cuppas in real mugs, the Mount Vic Flicks experience is as memorable as the movies themselves.
