Lapostolle Residence

RELAIS & CHATEAUX.

French Essence

Lapostolle was founded by Alexandra Marnier Lapostolle and her husband Cyril de Bournet in 1994.

The Marnier Lapostolle family, founders and owners of the world-renowned liqueur Grand Marnier, is famous for producing spirits and liqueurs, but the family has also been involved in winemaking for generations. In creating Lapostolle, the family has pursued the same uncompromising approach to quality that made Grand Marnier a global success.

Its objective is as simple as it is ambitious: to create world-class wines using French expertise and the superb terroirs of Chile.

“I INVITE YOU TO VISIT OUR LAPOSTOLLE RESIDENCE,
WHERE YOU CAN ENJOY THE BEAUTY OF CHILEAN NATURE
WITH COMFORT AND SOPHISTICATION”

LAPOSTOLLE RESIDENCE
IS AN UNIQUE PLACE TO EXPERIENCE
WINEMAKING, ARCHITECTURE AND NATURE

Lapostolle Residence is located in the Central part of Chile, in the middle of the wine country in the award winning Colchagua Valley. Chile has a mild climate during all four seasons of the year, each one possesses its own charm and distinctive beauty.

Right next to the Residence is our Clos Apalta Winery, nestled in a unique landscape: the cordons of the Chilean Coastal Cordillera. More than 650 hectares are on hand for your personal exploration, the hills are covered with native wild vegetation, offering extraordinary views of the Apalta vineyards and the surrounding mountains.

Residence

The Main House of the Lapostolle Residence is where the guests will be able to have candle lite dinners or delight in sipping one of our famous Grand Marnier Sours while meeting other guests by the fire.

We also offer meeting and tasting rooms with extraordinary views of the Apalta vineyards to host a meeting or private event while contemplating the nature below and enjoying our wines.

Different terraces and decks during spring and summer create different atmospheres. Relax and read a good book, enjoy a comfortable siesta in a chaise lounge and finish with lunch on the terrace or perhaps a barbecue by the pool, all scheduled for you at your desire.

WITH EXTRAORDINARY VIEWS OF THE APALTA VINEYARDS
AND THE SURROUNDING MOUNTAINS

The Garden

The Lapostolle Residence is surrounded by gardens where you will be able to learn about the different varieties and species of native plants of the area.

The garden was designed to be an integral part of the wild nature of the hills of Apalta; you will discover flowers, bushes and trees each with their own stories. An example “el Azulillo” is a native flower whose color was the inspiration for the Clos Apalta wine capsule and label color.

Inspired

A UNIQUE DECOR INSPIRED
BY THE FOUR VARIETALS
THAT ARE PART OF THE BLEND
OF CLOS APALTA

Only four suites are nestled into the native forested hillside of the valley, providing serenity and privacy.

Natural silk, leather and native wood dress the 90 sq mt of these four Suites-Casitas each one with a private terrace and garden. Surrounded by mountains and stunning vineyard views, each suite has a unique decoration inspired by the four varietals that are part of the blend of Clos Apalta.

Cabernet Sauvignon

Cabernet Sauvignon grape is concentrated yet elegant;
with a variety of green in silk and white pearl, the look is natural and fresh.

Petit Verdot

Petit Verdot is vibrant and intense: with a variety of tones of orange in silk, leather and native wood, dress the brightest view of Apalta vineyards.

Merlot

The sweetness of Merlot is the mood of this romantic décor: rose wood, white pearl & dark gold colors combined in silk, leather and native wood with the most charming view of the valley.

Carmenère

Inspired by the elegance of the Carmenère: turquoise, white pearl & chocolate colors in silk, leather and native wood with the highest view of the Apalta vineyards and surrounding mountains.
