Corporate Events

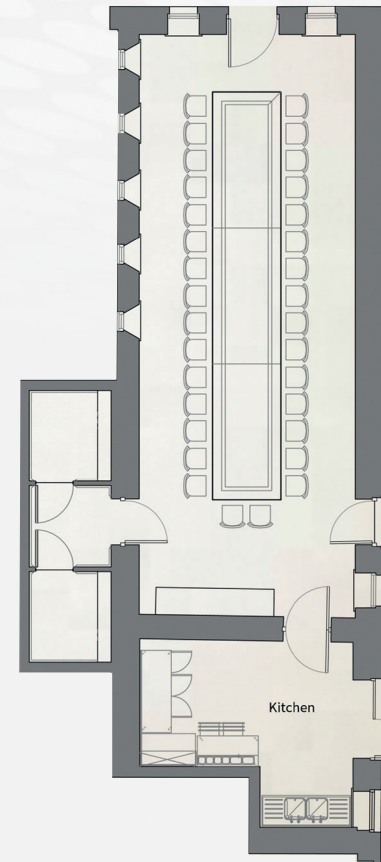

The Lakes Distillery private boardroom offers a flexible, attractive and luxurious environment for up to 40 delegates, making the space perfect for meetings, development workshops, private dining and small scale conferences. Our courtyard provides a relaxing outdoor space, ideal for coffee breaks, team activities and al fresco dining during the summer months.

All our packages include the use of an LCD projector and screen, flipchart, markers, and of course, complimentary Wi-Fi to ensure you stay on the pulse whilst out of the office.

With a team of experienced and knowledgeable events staff to help organise logistics and your delegate's requirements, you can rest assured your event is in safe hands.

"Everyone enjoyed the whole experience and were so full of praise."

James Ramsbotham,
Chief Executive North East Chamber of Commerce

Wedding Receptions

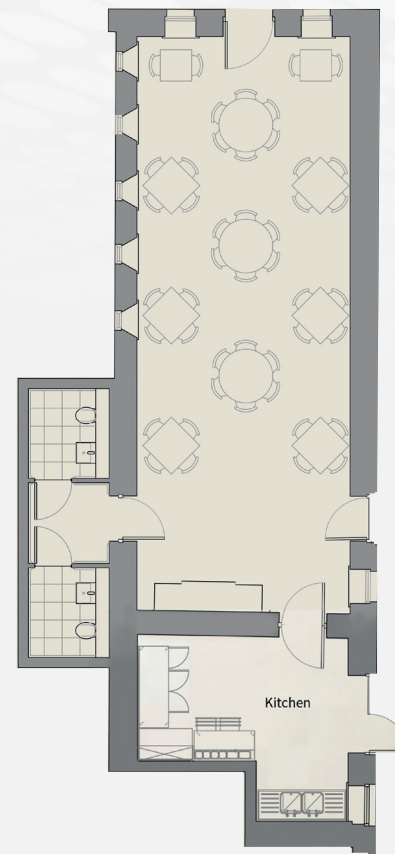

Steeped in history and surrounded by beautiful countryside, The Lakes Distillery boardroom offers a perfect light filled, intimate space ideal for your wedding breakfast.

With exclusive use of the boardroom, you will experience exemplary service from our experienced events team who are here to discuss your requirements and tailor the day to you and your guests.

In addition, our dedicated catering team understand the importance of experiencing excellent food and service on your wedding day. With menus designed from acclaimed Head Chef Andrew Beaton, you'll benefit from a complimentary private food tasting session, with the option of adding additional guests*, making it a truly special dining experience.

Beyond the boardroom, the grounds surrounding the distillery provide a stunning backdrop and exclusive haven for you and your wedding photographs – making The Lakes Distillery a truly memorable setting for your big day.

*additional guests will be chargeable.
