

COMBAT ZONE

Whitianga
FUN ZONE
ADVENTURE + FAMILY PARK

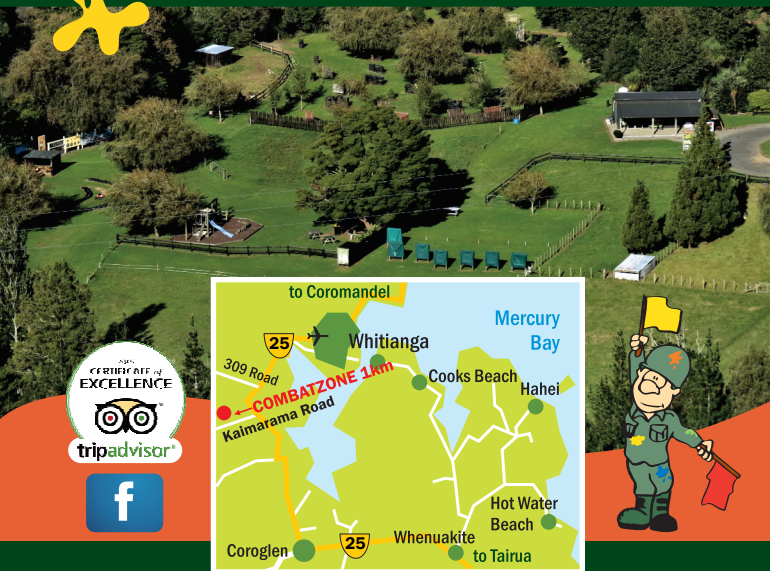

WELCOME

Just 7 minutes south of Whitianga, there's simply loads to do here.

While "paintball" does feature prominently, it's far from the only activity on offer – other diverse experiences such as kids quad rides, laser clay shooting, soccer golf, outdoor laser tag, archery for beginners, target paintball shooting and our awesome mini adventure - Argo Ride which takes you on a trip across the river, through native bush, forestry and farm land to check out some of the area's incredible native fauna and magnificent views of Mercury Bay.

Designed to offer something for kids and adults of all ages, our well organised and beautifully laid out adventure park offers better value for booking multiple activities in a Triple or Mega Combo package and family concessions are available.

...come and have a blast!
