WHAT TO DRINK?

BAVARIAN HELLES LAGER

Hell is a German adjective for 'light', 'pale' or 'bright'. This designation refers to the colour only, not the alcohol strength which is a substantial 4.7 to 5.4 ABV. We bring in various session lagers from Munich, Bavaria and Specialist Bavarian Brewers.

Ideally paired with cheese, pickles, burgers and wurst.

MUNICH DUNKEL

The original Munich beer darkened by malted barley. A muscular beer, strong with a smooth taste.

Ideally paired with chicken and ribs.

WEISBEER

Traditional Bavarian wheat beer that has been brewed with a large proportion of wheat relative to the amount of malted barley.

Ideally paired with cured meats and wurst.
