Terms

Each club receives six releases a year (February, April, June, August, October, and December). Wine Club Wines are released at \$20-\$30/bottle, plus shipping where applicable. We also offer an Alternating Club which receives three white releases and three red releases.

Club membership requires at least a 1 year commitment. After that time if you wish to cancel your membership written notice is required 30 days prior to the next release.

Members may choose to pick up their wines at the winery. Members who choose to have their wines shipped are charged a shipping fee. UPS requires an adult signature. Some wine shipments may be postponed due to extreme hot or cold weather. Members affected will be notified.

*****Pick up members have 6 weeks to pick up their wine, after that time Wine Club releases are subject to substitution.***

On the months that Wine Club is released your credit card on file will be billed automatically around the first of the month. We send an email one to two weeks prior to releases to outline billing and shipping information.

Email is our form of communication, please notify us of changes to your email in order to receive Wine Club information in a timely manner.
