## The UK's Largest Tropical Butterfly Paradise!

Come rain or shine discover some of the worlds most beautiful and spectacular butterflies in a unique rainforest environment of tropical blossom, splashing waterfalls and fish-filled pools

Open throughout the year

## Rainforest Flight Area

Watch in wonder as hundreds of exotic and vibrantly coloured butterflies fly and feed all around you. Butterflies from all over the world fly within this area, which is also home to a variety of birds, koi carp and even a couple iguanas!

## Discovery Zone

Observe the amazing life-cycle of

a butterfly in the Discovery Zone. Find some of the world's largest and most camouflaged caterpillars. See giant silk moths and their cocoons. Within the Emerging Case you may even see a butterfly hatch from its pupa.

## The Amazing Maya

Find out all about the Maya, an ancient civilisation that lived in the rainforest. Look out for replica artefacts and statues which are on display throughout the Butterfly Farm. See for yourself some of the crops that the Maya farmed and are still being farmed today: sweetcorn, chilli, pineapple, avocado and even cacao saplings, the source of chocolate!

## Minibeast Metropolis

The Metropolis is teeming with life and is home to an amazing leafcutter ant colony, which is now one of the largest on display in the UK. Watch the ants take leaves back to their nest along overhead ropes. Marvel at the fascinating and strange creatures in the Metropolis where stick insects, beetles and snakes live alongside giant snails, frogs, crabs and some of the worlds largest spiders.

Butterflies • Birds • Fish • Ants • Iguanas and so much more....
