MALENY BOTANIC GARDENS & Bird World

AN UNFORGETTABLE EXPERIENCE

OPEN 7 DAYS

*"The most exquisite gardens I've ever seen
in my 41 years in the garden business.
It will be the next wonder of the world!"*

Graham Ellis "The Garden Guru"

Stuart Garnett Photography

Frank Shipp bought the 110 acre property, now known as Maleny Botanic Gardens in 2005 with the intention of turning its pastures into botanic gardens. He spent the next two years visualising, then creating the layered gardens that you see today.

With the Glasshouse Mountains and the rainforest for inspiration, Frank used his imagination and the help of his staff to turn a blank canvas into a lush oasis of waterfalls, ponds, plants and walking paths - creating an ambience second to none.

A recent addition is Bird World; a walk-through aviary spanning over 1000m² with a wide variety of birds. Sit near the waterfall, watch, listen and photograph them as they alight upon you. Then visit our animal enclosure - a favourite with all ages. You will want to return again and again.

Take advantage of our Annual & Family Passes and Gift Vouchers.

Maleny Botanic Gardens are positioned high on the escarpment and cover more than 10 acres. They are a panorama of waterfalls, ponds, colourful plantings and manicured lawns. Uniquely landscaped layers, idyllic rainforest surroundings and the spectacular Glasshouse Mountains backdrop create a truly magnificent garden.

dreamcreativedesigns.com

Over 6 kilometres of walking paths meander around the thousands of different plants, ranging from roses, azaleas, orchids, annuals and perennials to some of the rarest cycads in the world.

Discover the majestic lookout, escape into a world of tranquility and let the sights and the sound of running water enchant you.

Enjoy a Devonshire Tea in one of the gazebos or bring your own picnic lunch.

Designed to provide easy access via a concrete driveway and with ample on-site parking, the privately owned Maleny Botanic Gardens are open to the public by admission fee and are

ideal for groups such as tour buses, weddings, clubs and artists etc.

The gardens are woven throughout with roads, easy walking paths and plenty of shaded areas, benches and picnic tables.

Dogs are allowed on leash.

OPENING TIMES

Gardens open 7 days from 9am to 4.30pm.

For group bookings please contact us by phone or email info@malenybotanicgardens.com.au to arrange a date and time.
