## **Business meetings at Orchard are the brightest, best and most productive in Leicester.**

We've created a stimulating and inspirational environment that'll get brains buzzing and business booming. It's a new approach to business that's a breath of fresh air, right in the heart of the city.

### **Pick Orchard and freshen up your business events**

Orchard is set within the 3 star Belmont Georgian townhouse hotel, a family run favourite with visitors and locals alike.

We've called our business centre Orchard because once there was an orchard outside, in what is still a lovely leafy conservation area. Now it's the perfect place to grow your business.

Forget about stale old meeting rooms and dull off the shelf 'packages' – discover the difference at Orchard. It's energising and invigorating, with tailored service to suit your precise needs and a dedicated team that'll help you deliver events that really bear fruit.

And it's convenient too – minutes from the station and excellent motorway connections (but delivering an experience that's a million miles away from all those cold and faceless corporate looking business centres).
