The MAD Museum is a celebration of movement, engineering, creativity and art. We showcase a fantastically diverse assortment of Kinetic Art, Automata and other crazy contraptions from around the world.

As well as being highly interactive, the museum provides fun and inspiration for all ages.

Group & School Visits

Engaging. Inspiring. Educational.

Educational trips, interest groups, touring groups and corporate events — we offer a broad assortment of discounted packages for all kinds of groups. Please check the website for more details.

Venue hire is also available.
