Every experience should be special...

We held a team building activity afternoon at Experience The Country and it was by far the best venue we have used. Highly recommend and would go back for both business and leisure. Cannot praise them enough.

MK News

Overall a great experience and one I would highly recommend for any business looking at rewarding their staff for working hard.

Santander

Arranged a day for a group of over 60 people. From start to finish the team were accommodating and friendly. They went out of their way to create the perfect day within our budget.
