

Guided Orchard Tour, talk and taste

On our orchard we grow around 450 varieties of temperate fruit, see our website for details). Take a guided orchard

tour with Farmer Len or his sons and let your taste buds wander, tours are run with a comfortable trailer towed by our New Holland tractors. During the tour you will be able to experience and compare the fantastic flavours of different seasonal varieties of fresh tree ripened fruit. The tour lasts approximately an hour.

Peach Café

Stop off at our Peach café, while drinking a fresh brewed coffee or peach smoothie browse the farm fresh produce in our shop. Every day you'll find refreshments, snacks, light lunches, home-made fruit ice cream, fruit pies, jams and relishes, bottled stonefruit in berry syrups, dried fruit, and the freshest and tastiest fruit around.

Our café menu caters for all budgets. . . you can have anything sandwiches to a four course meal.
